Quarterly Survey of Trade and Services – 2018, 2nd Quarter (April - June)

PROFESSIONAL SERVICES

Reference No:-

Survey Objective

The Purpose of this Survey is to obtain statistics from a cross section of Sri Lanka businesses in a wide selection of industries in services sector. The information collected is used extensively in the production of a range of economic indicators. An example is Gross Domestic Product (GDP), which measures the economy in Sri Lanka. These statistics help the government and other organizations as well as business community in planning and decision making.

1) Identification Information1.1 Name of the Establis		roprie	etor:
