

Preliminary Report

Census of Public and Semi Government Sector Employment - 2016

Department of Census and Statistics

Ministry of National Policies and Economic Affairs

Preliminary Report

Census of Public and Semi Government Sector Employment – 2016

(Conducted on 17 November 2016)

Department of Census and Statistics
Ministry of National Policies and Economic Affairs

2017 February

Preface

The Census of Public and Semi Government Sector Employment conducted in 2016 is the eighth in the series of such censuses carried out by the Department of Census and Statistics since 1980. The Census covered all Public sector institutions coming under both the Central Government and Provincial Councils as well as the Semi Government Sector. The Census was carried out in all institutions throughout the country between 9.30 a.m. and 11.30 a.m. on 17 November 2016. The information collected at this census was canvassed through a questionnaire to be personally completed by employees themselves. This report is based on the summaries prepared manually at institutional level immediately after the census and contains information on employees at the work place they are currently attached to.

The overall planning and execution of the Census was carried out by the Research and Special Studies Division of the Department headed by Mrs. U.V. Jayakody, Deputy Director, under the able guidance of Mr. D.G.S.G Munasinghe, Additional Director General.

I wish to express my sincere appreciation to the Secretaries to the Ministries, Chief Secretaries of Provincial Councils, District Secretaries, Heads of institutions not coming under a ministry, Heads of Departments and other Government agencies and Semi Government institutions agencies both under the Central Government and Provincial Councils and Chief Census Coordinators appointed to liaise with the Department of Census and Statistics, other Coordinators representing respective agencies for the cooperation extended to the Department for the success of this Census.

Finally, I would like to extend my sincere gratitude to all Public and Semi Government sector employees for their cooperation which enabled the Department of Census and Statistics to successfully conduct the Census and release the preliminary findings within such a short period of time.

Department of Census and Statistics
306/71, Poldoowa Road
Battaramulla.

Dr. A.J. Satharasinghe
Director General of Census and Statistics

17 February 2017

Acknowledgement

1. Contribution made by following officers of the Research and Special Studies Division for the successful completion of the listing operation, the enumeration of the Census and preparation of the preliminary report is gratefully acknowledged.

- Mr. G.T.K.S. Perera, Senior Statistician, assisted by Ms.E.C.P.Ratnaweera, Statistician in preparing the list of Public and Semi Government Sector institutions.
- Ms. K.K.C.Shiromalee, Senior Statistician in the supervision of the technical activities of Census enumeration, processing of coordinator summaries and the preparation of data tables of the Preliminary Report.
- Other technical/ logistic activities related to the Census were carried out by;

Mr. HKWKK Hitibandara	Senior Statistician	Ms. TMC Tilakarathna	ICT Assistant
Ms. Deepa Retiyala	Statistical Officer	Ms. WVT Udayangani	ICT Assistant
Ms. KKB Gunatilleke	Statistical Officer	Mr. GRNT Gamlath	ICT Assistant
Ms. WAPS Perera	Statistical Officer	Ms. VDRN Saparamadu	ICT Assistant
Mr. GDPT Gunatilleke	Statistical Officer	Ms. V. Dayalini	Tamil Coding Clerk
Ms. RMAS Gunawardana	Statistical Officer	Mr. S Rajeskanna	Tamil Coding Clerk
Mr. IS Prabash	Statistical Officer	Ms. RUM Thanusha	Tamil Coding Clerk
Ms. WMSD Wanninayake	Statistical Assistant	Mr. JMD Sunil	KKS
Mr. IG Seneviratne	Development Officer	Mr. HA Chandrasiri	KKS
Ms. WKAEI Dias	Development Officer	Mr. WSC Madusanka	KKS
Ms. MHA Kumari	ICT Assistant		

2. Various external agencies and personnel have contributed for the success of this Census. Cooperation extended by the Department of Government Information and the mobile service providers at the Census enumeration stage are highly appreciated.

DCS officers of other Divisions/ branches who have contributed for the success of the Census are as follows;

3. Printing/ packing Census Documents and the Preliminary report
Mr. M.J.M. Fernando, Statistician, Mr. O.C.S. Kumara de Silva, Printing Manager (Acting) and the Development Officers, ICT Assistants and KKS staff who supported in printing and packing Census documents
4. Distribution of Census documents
Team of officers led by Ms. K.M.D.S.D. Karunaratne, Deputy Director
5. Arrangement of Census training classes
The team of officers led by Mr. R.H.S. Abeynayake, Director, Training Division
Heads of District Statistical branches who arranged Census training classes at their respective districts.
Census trainers who conducted training programmes in the DCS head office and in districts
6. Preparation of Census Publicity material
Team of officers led by Mr. D.G.S.G. Munasinghe, Additional Director General assisted by Ms. N.W.Dissanayake, Statistician.
Team led by Mr. Disala Ekanayake, Assistant Director who prepared the Census web site and official training videos
7. Providing necessary IT solutions
Ms. I.A.M. Fernando, Director, Mr. P.M.R. Fernando & Mr. K.M.R.Wickramasinghe Deputy Directors and the staff of ICT Division
8. Translation of Census Document to Tamil medium
Mr. S. Thanabalasingham, Senior Statistician
9. Designing the cover page of the Preliminary Report
Mr.Mangala Padmakumara, ICT Assistant
10. Other assistance
Constructive comments of Steering Committee members
Senior Statisticians/ Statisticians attached to Provincial Councils
All the statistical staff attached to Ministries, Departments and other institutions
The Finance Division, Administration Division, and Transport Unit of the Department

Highlights

- The eighth Census of Public and Semi Government sector employment census was conducted between 9.30 a.m. and 11.30 a.m. on the 17 November 2016.
- According to preliminary findings based on manual summaries received from all Government and Semi Government institutions, the total number of employees in the Public and Semi Government sector is 1,117,808 excluding the staff of three forces.
- Of those employees, 54.9 percent are males and 45.1 percent are females.
- Percentage of employees over 56 years is 7.6 while percentages corresponding to age groups of 18 – 29 years and 30 -55 years are 15 percent and 77.4 percent respectively.
- Data were collected on the employment status of employees. It was found that percentage of employees in employment categories of Permanent/ Pensionable; Permanent/ Pensionable & contributing to a provident fund; Permanent/ contributing to a provident fund; and Temporary/ Casual/ Substitute/ Contract basis and Other employees are 75.6%, 3.9%, 15.7% and 4.8% respectively.
- Highest level of education is another variable for which the data were collected at this census. Distribution of employees in the education levels of Below G.C.E. (O/L); Passed G.C.E.(O/L); Passed G.C.E.(A/L); Degree; Post Graduate Diploma; Post Graduate Degree and Doctoral Degree are 17.8%, 20.2%, 35.8%, 18.9%, 4.2%, 2.7% and 0.3% respectively.
- Out of all employees in the Public and Semi Government sector, 62.7 percent were found to be computer literate. That is those 62.7 percent employees can perform any task using a desktop computer/tablet computer/smart phone. It is also encouraging to note that little over one half (52.3%) of the employees in Public and Semi Government sector use internet.

1.0 Introduction

The Census of Public and Semi Government Sector Employment 2016 is the eighth in a series of such censuses conducted by the Department of Census and Statistics (DCS). The first scientific Census on Public and Semi Government sector employment was carried out in 1980 in order to cater to the requirements of data on the Public and Semi Government sector for planning and monitoring purposes of government employees and the institutions in which they work. Subsequent to that, censuses were carried out in 1985, 1990, 1994, 1998, 2002 and 2006 at a quite similar frequency of 4 to 5 years. However, as the DCS was compelled to utilize its resources on large scale statistical undertakings such as the Census of Population and Housing in 2012, the Economic Census on Agricultural Activities in 2013/2014, and the Economic Census on non-Agricultural activities in 2013/2014, the Census of Public and Semi Government Sector Employment was delayed until 2016.

Before 1980, Ministry of Public Administration had been instrumental in conducting censuses in 1968, 1972 and 1976 which however were limited to the Public Sector. However, results of the 1976 census have not been published due to under coverage observed in the enumeration. Previous records revealed that the number employed in the Public sector prior to 1968 was also collected from respective Ministries by the Department of Census and Statistics.

Department of Census and Statistics being the National Statistical Office responsible for providing official statistics required for policy formulation and government planning purposes has been followed the basic principles of census taking for conducting its maiden scientific census in 1980. It was the first Census in which the Public sector employees were classified in to the two broad categories, the Public sector and the Corporation sector. While the Public sector comprised of employees in Ministries, Departments and all other agencies coming directly under the Government Administration, the Corporation sector covered all employees in state owned Corporations and other statutory bodies. Up to now, the same grouping system in classifying government employees has been used in subsequent censuses ever since.

This report presents preliminary findings of the Public and Semi Government Sector Employment Census – 2016. Findings presented here are based on the summaries prepared manually at institutional level immediately after the census in order to give quick snapshot of the extensive exercise. Questionnaires completed by the employees are now being processed and the final report will be released afterwards.

2.0 Methodology

2.1. Method of Enumeration

In this census, the primary unit of enumeration is identified as all Public and Semi Government Sector employees. There are two alternative frameworks within which the target population of this Census can be identified viz. (a) their current work place or (b) the permanent work place he/she belongs to.

This Census has a lag of ten years from the last Census in 2006, which resulted in a big demand for data on Public and Semi Government Sector employment. However, previous experiences of DCS paved the way to find the best technique that could produce reliable and accurate estimates on Public and Semi Government Sector employment in a timely manner. To achieve this, the DCS opted Public and Semi government sector employees to get enumerated themselves at their current work place so that a quick estimate can be given just after the completion of the Census enumeration. Nonetheless, information on employees' permanent work place (if different from the current work place) was also collected from all respondents so that information by permanent work place (and current work place if relevant) can be given in the final report.

2.2. Listing of Public and Semi Government Institutions

With a view to achieve a complete coverage, listing of all Public and Semi Government institutions was started in March 2016. Experiences of previous Censuses were useful in identifying the *Main Institutions* upon which the list of all Government and Semi Government institutions were built. Hence, all of the census units were categorized under four major groups as follows;

- Line Ministries
- Provincial Councils
- District Secretariats
- Institutions of Central Government but not coming under a Line Ministry

In parallel to the Institution Listing Operation, a large network of Coordinators were appointed as follows to liaise with the DCS as and when necessary and to perform Census related activities in the institutions they bear the responsibility.

Chief Coordinators

Heads of Main Institutions i.e. Secretaries of line Ministries, Provincial Chief Secretaries, District Secretaries and Heads of institutions not coming under a line ministry were requested to appoint a Chief Census Coordinator representing respective institutions to liaise with the Department of Census and Statistics.

An initial meeting was held at the DCS head office with the participation of Chief Census Coordinators to inform the Census methodology, the draft questionnaire and to obtain their comments and feedback on the same. The Chief Coordinators were requested to prepare a list of all institutions coming under their purview. Institutions published in the Gazette Extra Ordinary No. 1933/33 dated 21 September 2015 was the basis for building the list of all institutions coming under Line Ministries. Institutions not coming under the purview of a Line Ministry were provided by the Presidential Secretariat while the responsibility of preparation of the list of institutions coming under the Provincial Councils was assigned to the Chief Census Coordinators of respective Provincial Councils.

The Chief Census Coordinators, 117 in total, were responsible for the smooth execution of the Census in their respective institution and for coordinating Census activities in institutions that are coming under the purview of the institution for which the Chief Census Coordinators were appointed.

Institutional Coordinators

Once the list of institutions (L1) was prepared, Chief Coordinators were requested to nominate Institutional Coordinators for following institutions which are coming directly under Main Institutions;

- All Departments and other Government institutions, Corporations, Statutory Bodies, Public Companies coming under Line Ministries
- All Provincial Ministries
- Divisional Secretariats

Assistant Coordinators

The number of employees and the complexity of the structure in some Public and Semi Government sector institutions required the appointment of coordinators even at lower levels of administration. Therefore, Assistant Coordinators were appointed for following institutions;

- Provincial/ District offices of institutions with one or more levels of regional administrative layers
- All Departments and other Government institutions, Statutory Boards, and Local Government Bodies (Municipal Council/ Urban Council/ Pradeshiya Sabha Offices) coming under Provincial Ministries including hospitals, Ayurveda hospitals, MOH offices, Zonal and Divisional Education Offices etc.

In addition to the above appointments of Chief Census Coordinators, Institutional Coordinators or Assistant Coordinators, instructions were given to Chief Census Coordinators to identify and appoint an officer responsible for the execution of Census activities from each and every Public and Semi Government Institution coming under their purview.

All Public and Semi Government sector institutions thus listed at the Listing Stage of the Census were recorded as 28,000.

2.3. Responsibilities entrusted with Census Coordinators

- i) Pre Census Operational activities
 - Arrange distribution of Census related documents to all agencies coming under their purview
 - Organizing Census training classes
 - Pre Census publicity
- ii) Conducting Census enumeration/ data collection activity
- iii) Collection of completed Census questionnaires from all employees
- iv) Preparation of Census summaries
- v) Submitting completed Census questionnaires and summaries to the Main Institution

Self-enumeration of all Public and Semi Government employees has taken place in all Public and Semi Government Institutions between 9.30 am and 11.30 am on 17 November 2016.

2.4. Preparation of Census Summary Forms

In order to cater to the urgent data needs on Public and Semi Government sector employment, a set of summary forms were designed to obtain quick estimates on some important information collected from individuals.

Coordinators/ responsible officers of all Census Units (all Public and Semi Government offices which are separate administrative entities) initially prepared Two summary forms viz. R1 and R2 where R1 is used to report selected variables on individual basis while R2 summarizes the same information but for Census Unit level. When these R1 and R2 summaries are passed on to their parent institutions, R3, the Institutional Summary Forms were prepared based on R2s. Institutional Summaries were the basis of R4 which is the summary for the Main Institution. In addition to Main Institutions, 54 Provincial Ministries were also instructed to prepare the R4 summaries. .

2.5. Processing R4 summaries

162 R4 summaries received with respect to 51 Line Ministries, 9 Provincial Council Chief Secretary's Offices, 45 Provincial Ministries, 25 District Secretariats, and 32 Independent Institutions not grouped under any Line Ministry were processed to prepare the "Preliminary Report of the Census of Public and Semi Government Sector Employment 2016".

However, data users should be cautious in interpreting the findings of this report as this report presents information on Public and Semi Government Sector employees at their current place of employment. There are many Central Government/ Provincial Council agencies which have their officers posted in District Secretariats, Divisional Secretariats and even other central government and provincial council agencies for the purpose of providing various extension services to the Public, to provide expert services another Public / Semi government agency, or even to coordinate services provided by the parent agency. In such instances, officers attached to an outside agency are for the purpose of this preliminary report are enumerated at their place of work and not at their permanent employer.

3.0 Limitations and Notable Facts

3.1. Limitations

- Employees of the subsidiaries of Semi Government Institutions are not included in this Census.
- Uniformed staff of Sri Lanka Army, Sri Lanka Navy and Sri Lanka Air Force are not included.

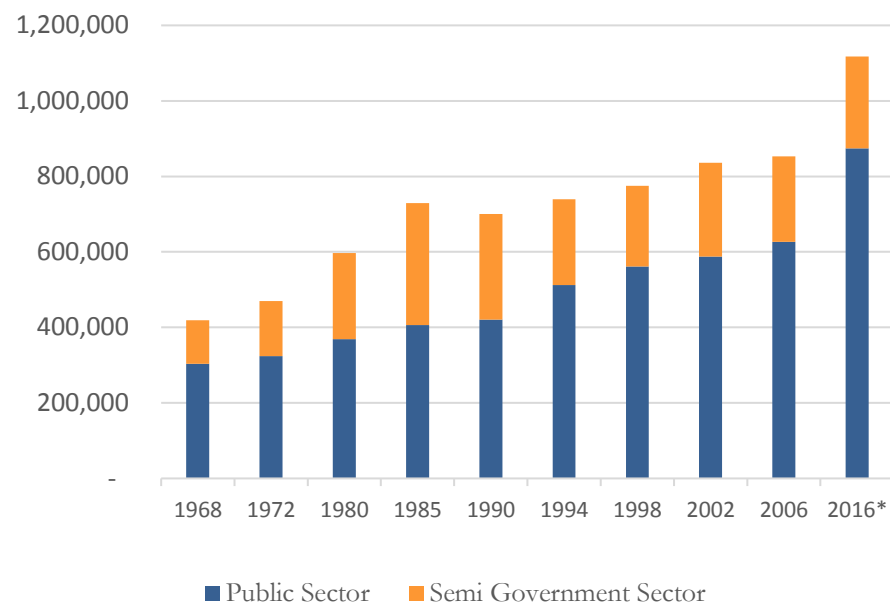

3.2. Notable facts

- For the first time in the history of Employment Censuses, estate field laborers of Semi Government sector Estates were enumerated at this Census.
- All employees are enumerated at their current place of employment. Therefore if one or more officers of a certain Public/ Semi Government institution are posted in another Public or Semi Government institution, that particular officer/s were enumerated at the place they are usually working. However, in order to avoid any under enumeration or duplications, officers belonging to following Public/ Semi Government institutions were enumerated at the office of their original affiliation and not in their current place of work.
 - Civil staff of three forces
 - Sri Lanka Police
 - Civil Security Department
 - Department of Posts
 - Lanka Sathosa Limited
 - All Government Banks
 - Department of Immigration and Emigration
 - Sri Lanka Customs

4.0 Public and Semi Government Sector employees in Census Years

Census Year	Public Sector	Semi Government Sector	Total employees
1968	303,674 ^a	115,355	419,029
1972	323,718 ^b	145,810 ^c	469,528
1980	368,849	228,531	597,380
1985	406,359	322,617	728,976
1990	421,009	279,583	700,592
1994	512,494	227,023	739,517
1998	561,163	213,789	774,952
2002	587,805	247,845	835,650
2006	626,992	226,306	853,298
2016*	874,395	243,413	1,117,808

Public and Semi Government Sector Employees in Census years

Source : ^a Statistics of personnel in Public service 1968, General Treasury

^b Statistics of personnel in Public service 1972, Ministry of Public Administration

^c Employment figure for 1972 for the Corporation Sector are not available. Figures shown are for 1973.

Employment Census conducted by DCS from 1980 onwards

Note : Although a Census of Public service employees was taken in 1976, the results have not been published due to under coverage.

From 1990 onwards, Public sector includes both State and Provincial Public Sector.

* - Preliminary findings based on place of current employment.

5.0 Preliminary Findings

Section I

This section presents information on Government and Semi Government employees by the sector their current place of work belong to, which is categorized as below

Sector of employment	
State Sector	employees who are currently employed in government agencies coming under the Central Government Eg: Ministry offices, Government Departments and other government agencies coming under Ministries, District Secretariats and Divisional Secretariats, Government agencies that belong to the Central Government but not coming under a Line Ministry
Provincial Public Sector	employees who are currently employed in government agencies coming under Provincial Councils Eg: Provincial Ministry offices, Provincial Departments and other government agencies coming under Provincial Councils, Government agencies that belong to Provincial Councils but not coming under any Provincial Ministry
Semi Government Sector	Employees who are currently employed in Semi Government agencies which are coming either under the Central Government or Provincial Councils Eg: Corporations, Statutory Bodies, Public Companies, Statutory Bodies coming under Provincial Councils

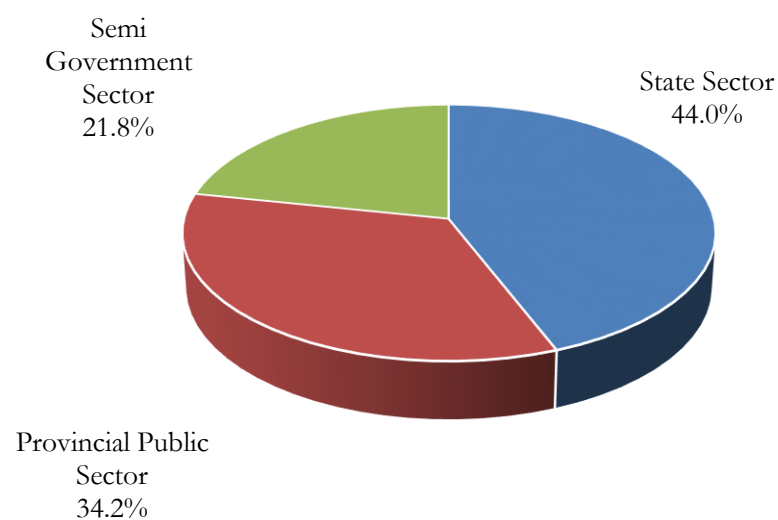

Table 1 - Public and Semi Government sector employees covered by the Census by sector of current employment 2016

Sector of Employment	Total Employees		Self-enumerated Employees		Employees enumerated by an authorized officer	
	Number	%	Number	%	Number	%
Total	1,117,808	100.0	1,104,219	98.8	13,589	1.2
State Sector	492,280	100.0	484,279	98.4	8,001	1.6
Provincial Public Sector	382,115	100.0	380,209	99.5	1,906	0.5
Semi Government Sector	243,413	100.0	239,731	98.5	3,682	1.5

As shown in Table 1, the estimated number of employees in all Public and Semi Government Sector institutions would be 1,117,808 out of which 1,104,219 have self-enumerated themselves.

In order to avoid under enumeration observed in previous Censuses due to inaccessibility of employees due to various unavoidable reasons, census coordinators/ officers responsible for census taking were requested to complete a Census questionnaire for such employees. Since the officer may not be aware of answers to the census questions that are of personal nature, it was assumed that the questionnaires could be incomplete and hence were used only to determine the head count of employees. It can be observed that census questionnaires of 13,589 government and Semi Government employees (1.2 percent of all employees) were completed by an authorized officer as they were unavailable to complete their Census questionnaires.

**Figure 1 Public and Semi Government Sector
Employees by sector of current employment 2016**

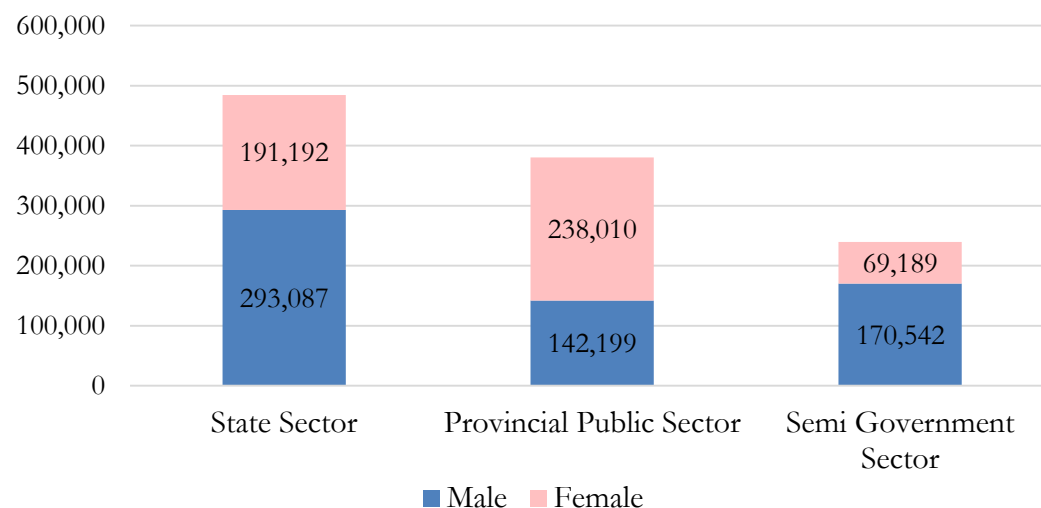

It can also be observed that a majority of employees are currently employed in the State Sector, which accounted for 44 per cent of all employees. About 1 in every 3 government employee is currently employed in the Provincial Public sector.

Only the self-enumerated employees are included in the analysis hereafter as it was assumed that the questionnaires not completed by the respondent could be incomplete.

Table 2 - Public and Semi Government sector employees by sector of employment and sex 2016

Sector of Employment	Total		Male		Female	
	Number	%	Number	%	Number	%
Total	1,104,219	100.0	605,828	54.9	498,391	45.1
State Sector	484,279	100.0	293,087	60.5	191,192	39.5
Provincial Public Sector	380,209	100.0	142,199	37.4	238,010	62.6
Semi Government Sector	239,731	100.0	170,542	71.1	69,189	28.9

Figure 2 - Public and semi government sector employees by sector of employment and sex 2016

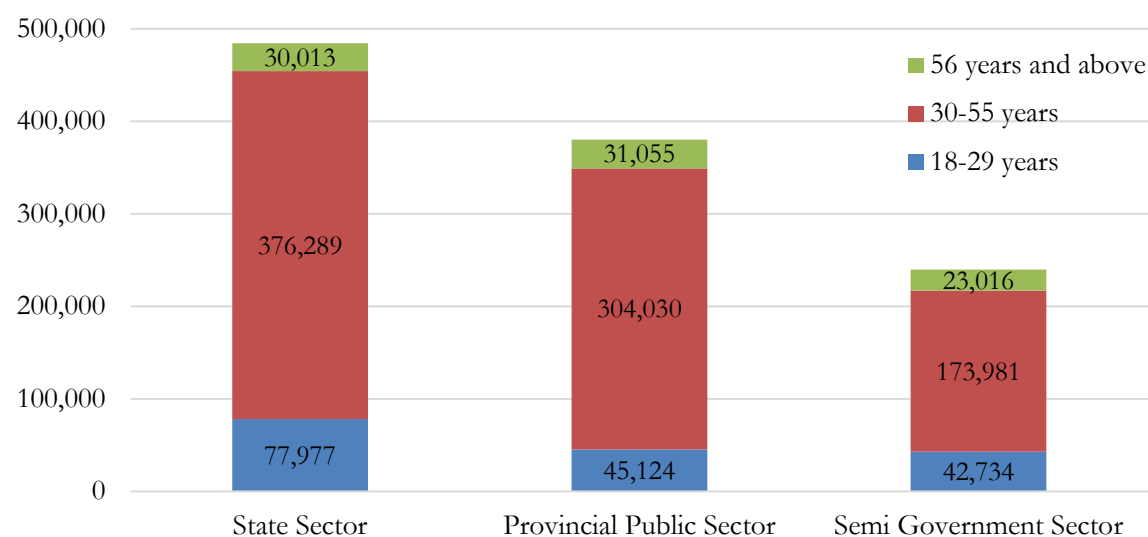

Out of the 1,104,219 who were self-enumerated at the Census, almost 55 per cent are male.

However, more male employees are employed in the State Sector and Semi Government Sector. Compared to other two sectors, more female employees are employed in the Provincial Public Sector.

Table 3 - Public and Semi Government sector employees by sector of employment and age group 2016

Sector of Employment	Total		18 to 29 years		30 to 55 years		56 years and above	
	Number	%	Number	%	Number	%	Number	%
Total	1,104,219	100.0	165,835	15.0	854,300	77.4	84,084	7.6
State Sector	484,279	100.0	77,977	16.1	376,289	77.7	30,013	6.2
Provincial Public Sector	380,209	100.0	45,124	11.9	304,030	80.0	31,055	8.2
Semi Government Sector	239,731	100.0	42,734	17.8	173,981	72.6	23,016	9.6

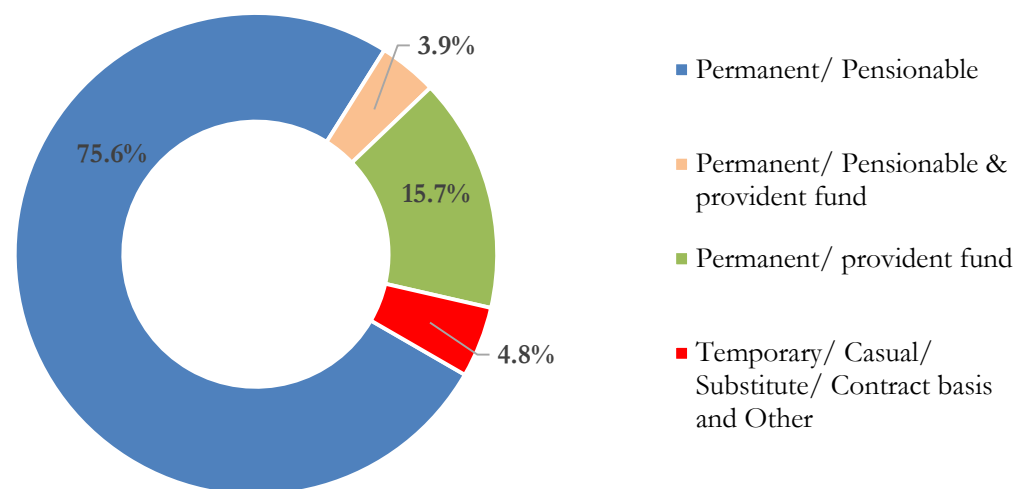

Figure 3 - Public and semi government sector employees by sector of employment and age group 2016

The Census revealed that about 84,000 employees are above 55 years of age out of which about 61,000 are currently employed in either the state or the Provincial Public Sector.

About 15 per cent of employees are below 30 years of age.

Table 4 - Public and Semi Government sector employees by sector of employment and current status of work 2016

Sector of Employment	Total		Permanent employees						Temporary/ Casual/ Substitute/ Contract basis and Other employees	
			Permanent/ Pensionable		Permanent/ Pensionable & provident fund		Permanent/ provident fund			
	Number	%	Number	%	Number	%	Number	%	Number	%
Total	1,104,219	100.0	834,840	75.6	43,396	3.9	173,470	15.7	52,513	4.8
State Sector	484,279	100.0	462,457	95.5	1,765	0.4	3,599	0.7	16,458	3.4
Provincial Public Sector	380,209	100.0	368,305	96.9	862	0.2	640	0.2	10,402	2.7
Semi Government Sector	239,731	100.0	4,078	1.7	40,769	17.0	169,231	70.6	25,653	10.7

Figure 4 - Public and semi government sector employees by sector of employment and current status of work 2016

Almost 80 per cent are employed in Permanent and Pensionable occupations while 16 percent of the employees are employed in non-pensionable permanent occupations and are contributing to a Provident fund.

More temporary/ casual/ substitute/ contract basis employees are working in the Semi Government Sector.

Table 5 - Public and semi government sector employees by sector of employment and highest level of education 2016

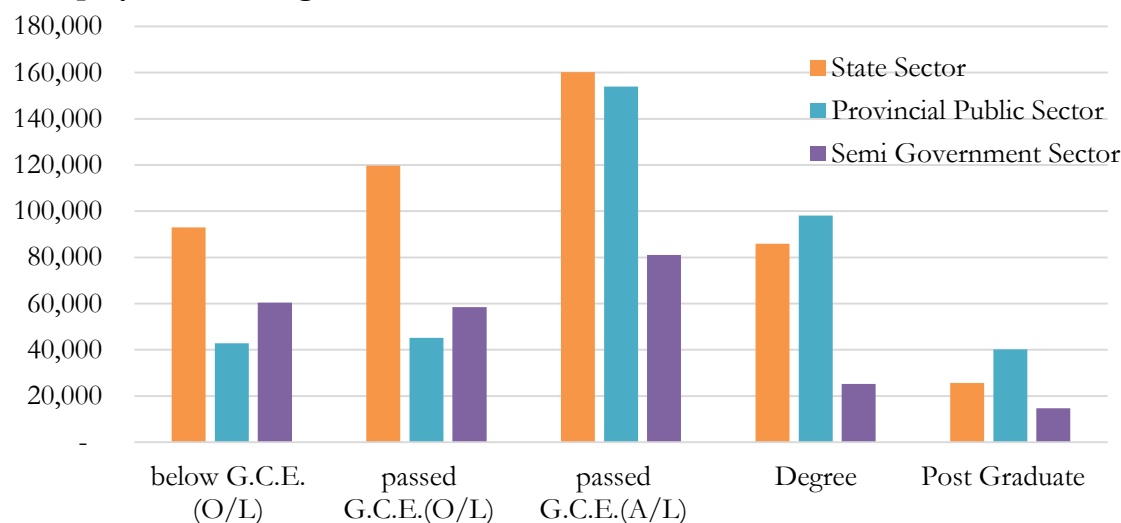

Figure 5 - Public and semi government sector employees by sector of employment and highest level of education 2016

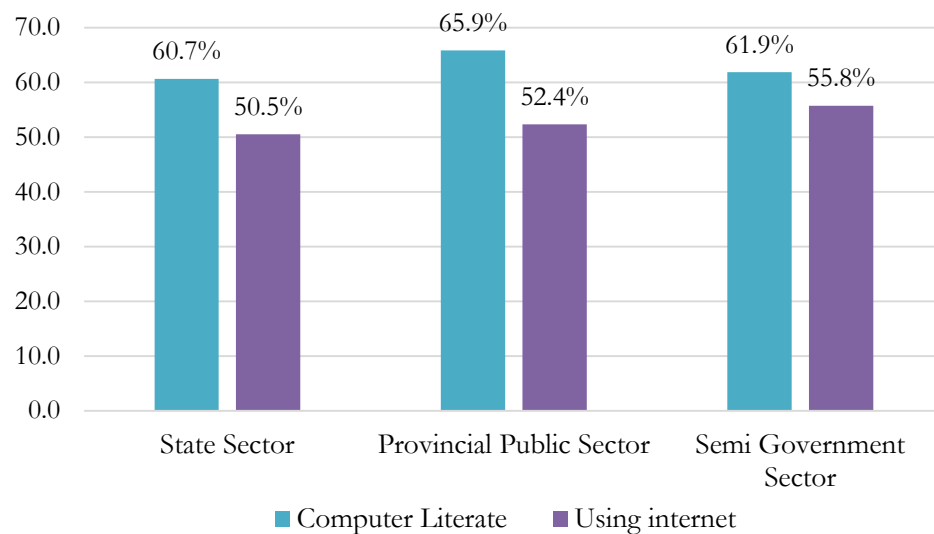

Table 5 reveals that more than 60 per cent of employees are at least Advance Level qualified while 19 per cent holds a degree. Only about 7 per cent of employees have any post graduate qualification.

At least one in every four of the Semi Government sector employees have not passed G.C.E. (Ordinary Level). On the contrary, semi government sector has reported the highest number of doctoral degrees.

However, the Provincial Public sector reported the highest per cent of employees with post graduate qualifications.

Table 6 - Public and semi government sector employees by computer literacy and internet usage 2016

Sector of Employment	Total employees	Computer Literate		Using internet	
		Number	%	Number	%
Total	1,104,219	692,685	62.7	577,405	52.3
State Sector	484,279	293,853	60.7	244,636	50.5
Provincial Public Sector	380,209	250,468	65.9	199,078	52.4
Semi Government Sector	239,731	148,364	61.9	133,691	55.8

Figure 6- Public and semi government sector employees by computer literacy and internet usage 2016

Out of all Public and semi government sector employees, about 63 per cent are capable of performing some activity using a computer, a tablet PC, Laptop computer or a smart phone.

About 52 per cent of Public and semi government employees use internet.

Provincial Public sector reported the highest per cent of computer literate employees with almost two in every three employees were computer literate.

Compared to other two sectors, Semi Government sector employees reported the highest percentage of employees using internet.

Section II

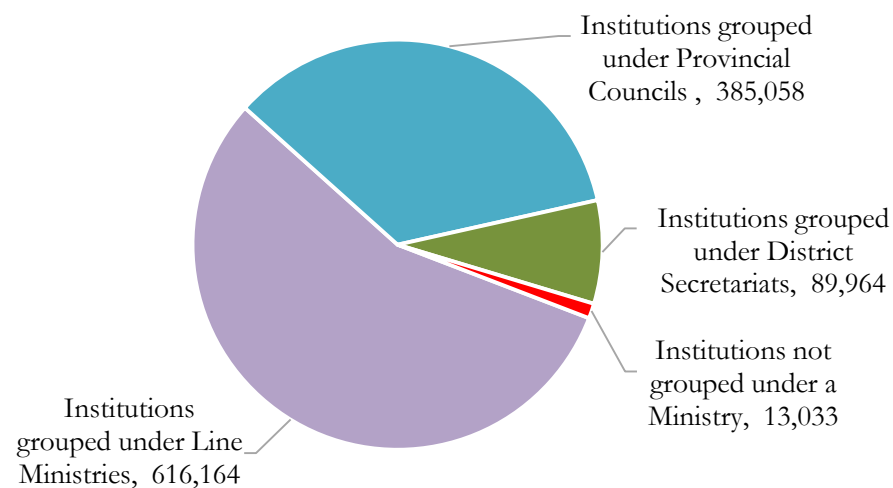

This section presents information on Government and Semi Government employees by type of institution they are currently employed which is categorized as below.

Institutions grouped under line Ministries	employees who are currently employed in government and Semi Government agencies coming under the Line Ministries Eg: Ministry offices, Government Departments and other government agencies/ Corporations/ Statutory Boards/ Public Companies that are coming under Line Ministries
Institutions grouped under Provincial Councils	employees who are currently employed in government and Semi Government agencies coming under Provincial Councils Eg: Provincial Ministry offices, Provincial Departments, other government agencies. Semi Government agencies coming under Provincial Councils, agencies coming under Provincial Councils but not coming under any Provincial Ministry
Institutions grouped under District Secretariats	Employees who are currently employed in District Secretariats, Divisional Secretariats, Vidatha Centres/Divineguma Praja Moola Banks/ Cultural Centres in Divisional Secretary's Divisions
Institutions not grouped under a Ministry	Government agencies and Semi Government agencies that belong to the Central Government but not coming under a Line Ministry Eg: Independent Commissions, Special Presidential Commission offices, Parliament, Presidential Secretariat etc.

Table 7 - Public and Semi Government sector employees by current work place and sex 2016

Type of Institution	Total		Male		Female	
	Number	%	Number	%	Number	%
Total	1,104,219	100.0	605,828	54.9	498,391	45.1
Institutions grouped under line Ministries	616,164	100.0	416,036	67.5	200,128	32.5
Institutions grouped under Provincial Councils	385,058	100.0	145,968	37.9	239,090	62.1
Institutions grouped under District Secretariats	89,964	100.0	37,056	41.2	52,908	58.8
Institutions not grouped under a Ministry	13,033	100.0	6,768	51.9	6,265	48.1

Figure 7- Public and Semi Government sector employees by type of institution currently employed 2016

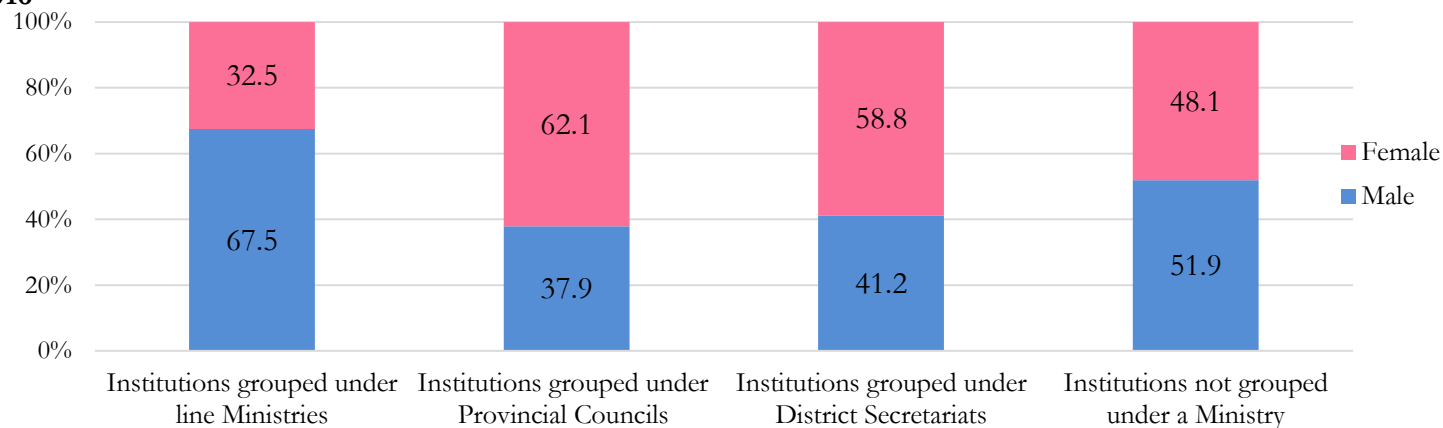

It is observed that more than 55 per cent of all employees are employed in institutions coming under Ministries while about one third are working in the institutions that are coming under Provincial Councils.

About 90,000 are employed in District Secretariats and Divisional Secretariats. This consists of field officers such as Grama Niladharis, Economic Development Officers etc. as well as the officers from other government/ semi government agencies attached to these offices.

It can also be seen that more than two thirds of the employees attached to the institutions coming under Line Ministries are male.

Figure 8 - Public and Semi Government sector employees by current work place and sex 2016

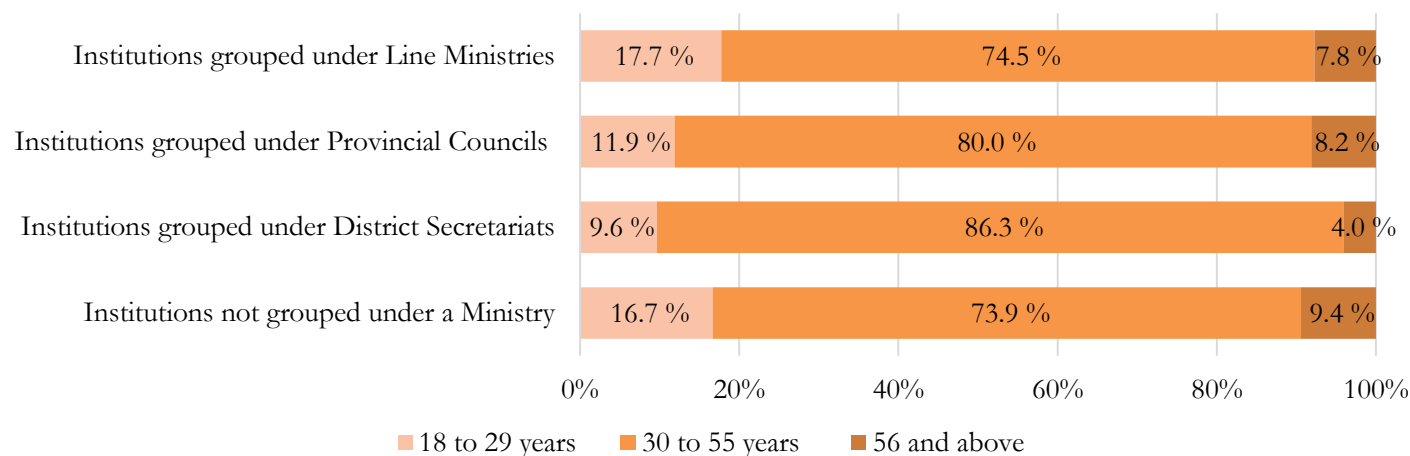

In contrast, institutions coming under Provincial Councils employ more female.

Almost equal sex ratios of employment exists in institutions not grouped under a Line Ministry.

Table 8 - Public and Semi Government sector employees by current work place and age group - 2016

Type of Institution	Total		18 to 29 years		30 to 55 years		56 and above	
	Number	%	Number	%	Number	%	Number	%
Total	1,104,219	100.0	165,835	15.0	854,300	77.4	84,084	7.6
Institutions grouped under Line Ministries	616,164	100.0	109,231	17.7	459,130	74.5	47,803	7.8
Institutions grouped under Provincial Councils	385,058	100.0	45,750	11.9	307,884	80.0	31,424	8.2
Institutions grouped under District Secretariats	89,964	100.0	8,681	9.6	77,656	86.3	3,627	4.0
Institutions not grouped under a Ministry	13,033	100.0	2,173	16.7	9,630	73.9	1,230	9.4

Figure 9 - Public and Semi Government sector employees by current work place and age group 2016

Notable differences in the age structure exist among employees working in Institutions grouped under District Secretariats in which 4% are aged 56 and above while the younger cohort is smaller compared to other types of institutions.

Table 9 - Public and Semi Government sector employees by current work place and type of appointment 2016

Institutions grouped under Provincial Councils	385,058	252,917	65.7	201,270	52.3
Institutions grouped under District Secretariats	89,964	72,054	80.1	59,296	65.9
Institutions not grouped under a Ministry	13,033	10,077	77.3	8,287	63.6

Figure 13 - Computer Literacy and Internet Usage of Public and Semi Government sector employees by current work place 2016

Computer literacy levels of employees in the institutions grouped under District Secretariats show notable differences from other employees. 4 in every 5 of them are computer literate while two thirds of their staff are using internet.

Compared to their counterparts, lowest level of computer literacy can be seen among the employees in institutions grouped under Line Ministries which only shows a computer literacy and internet usage of 58 per cent and 50 per cent respectively.

Section III - Detailed Information by major institution category

This section presents information on Government and Semi Government employees by Main Institution their current work place belong to. Sex, age group, type of employment, sector of appointment, highest level of education and computer literacy/internet usage by Main Institution is given in the report.

Institutions grouped under line Ministries	Employees who are currently employed in government and Semi Government agencies coming under the Line Ministries are provided by the name of the Ministry
Institutions not grouped under a Ministry	Aggregated information on Government agencies and Semi Government agencies that belong to the Central Government but not coming under a Line Ministry is provided. This consists of the Presidential Secretariat, Prime Minister's Office, Parliament and independent officers located in the Parliament Complex, The Supreme Court, Court of Appeal, Election Commission, Judicial Service Commission and its Courts, Audit Service Commission, National Police Commission, Human Rights Commission, Finance Commission, National Procurement Commission, Delimitation Commission etc. and other independent institutions
Institutions grouped under Provincial Councils	Information is provided separately for all 9 Provincial Councils. Under each Provincial Council, separate information is given for the Chief Secretariat which includes all independent institutions in that particular Provincial Councils as well as 5 Provincial Ministries
Institutions grouped under District Secretariats	Employees who are currently employment in District Secretariats and other institutes grouped under District Secretariats are given under the respective District Secretariat. Each District Secretariat comprises the staff in the District Secretariat premises, Divisional Secretariats as well as the Vidatha Centres/Divineguma Praja Moola Banks/ Cultural Centres in Divisional Secretary's Divisions
