Dear Sir/Madam,

The global crisis of COVID-19 has affected economies. Its impact on small scale businesses appear to be devastating with the threat of permanent or temporary closure leaving millions of employees at risk of unemployment. Hence, the Department of Census and Statistics (DCS) as the key government agency responsible for providing official statistics for Sri Lanka, has taken initiative to conduct an enterprise survey to assess the impact of Covid-19 on industry and services sectors of the country covering mining and quarrying, manufacturing industries, construction, wholesale, retail trade and a broad array of other services.

You are kindly requested to provide data for this survey, the results of which will be useful for planning the way forward in protecting businesses and ensuring the job security of employees.

For inquiries or clarifications please feel free to contact,

- Ms. U. Maheshwaran, *Director-Industries and Services Division* on 071-4421485 or industries@statistics.gov.lk/ udayakana19@gmail.com
- Mr. H.R.S.L. Ranatunga, *Deputy Director-Industries and Services Division* on 071-8038054 or shalindra@lankamail.com

Your valuable information for this survey will be treated confidential and will be used only for statistical purposes. Please complete the questionnaire and send it to :
