

LIMITATIONS

1. This report is based on the data collected through the summary form which was prepared by the coordinating officers of the respective institutions.
2. The number of schedules received and number of records in the summary sheets are not tallied each other in some institutions and some institutions did not return the summary sheets at all. All the summary sheets reached to the Department of Census and Statistics before 25th December were processed and published in the report.
3. The employees in the following categories are not included in the census
 - i. The personnel attached to the armed forces (army, navy and air force). The civilian staff of the armed forces are included
 - ii. Field laborers in the state owned estates
4. Under the salary particulars, total salary received in June 2006 by the employee was collected and grouped in to three broad categories (less than 15,000, 15,000 - 30,000 & over 30,000) in the summary form . Some of the employees stated their salary according to the Public Administration Circular no 6 / 2006 and some of them state the salary according to Public Administration Circular no 9 / 2004. Therefore tabulation of salary particulars are not included.
5. The estimated number of employees were reported in January 2006 by individual institutions. The estimated number of employees reported by some institutions were much higher. They were asked to confirm the actual number of employees as at 1st July 2006. The estimated number of employees reported by the institution was taken as the actual number for institutions which did not confirm the actual number as at 1st July 2006
