Issuing the National Consumer Price Index (NCPI), for the month of September 2021, the Director General of Census and Statistics said that headline inflation as measured by the Year-on-Year change (The percentage change in the current month NCPI over same month NCPI of last year) based on the NCPI has been compiled as 6.2%. The headline inflation reported for the month of August 2021 was 6.7%. Contributions to the inflation rate of September 2021 from food group and non-food group are 4.6% and 1.6% respectively. Whilst contributions of food and non-food groups to the inflation in September 2020 were 5.5% and 0.8% respectively, resulting in a headline inflation of 6.4%. With respect to September 2020, the reported increase in percentage of food group was mainly due to higher price levels prevailed in this month of September 2021, particularly prices of rice, coconut oil, vegetables, mysore dhal, dried fish, fresh fish, and coconuts.

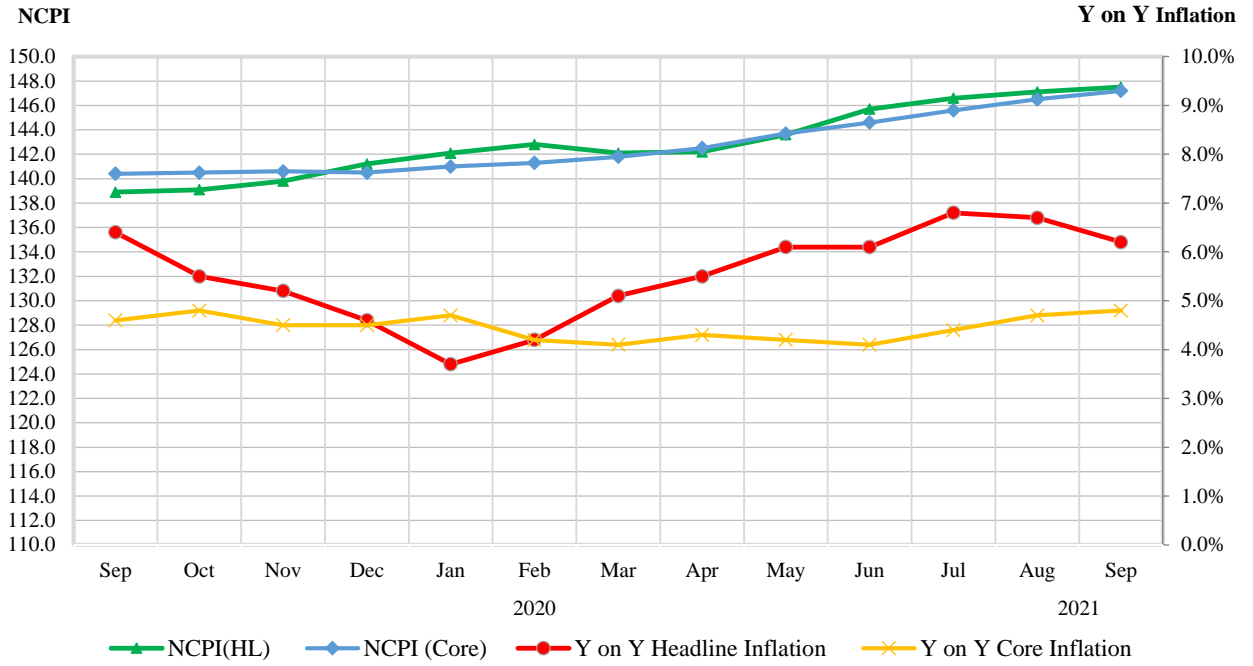

Comparing the month-on-month changes, NCPI in September 2021 has increased to 147.5 from 147.1 reported in August 2021. This shows an increase of 0.4 index points or 0.3 percentage as compared to August 2021. The month-on-month change was contributed by increases of index values of food items by 0.07% and non-food items by 0.18% respectively.

Price increases of food items were reported for Mysore dhal, Big onions, Fresh fish, Chicken, Dried fish, Bread, Buns, Wheat flour, Garlic, Chili powder, Biscuits, Limes and Canned fish. However, decreases in index values were reported for Rice, Vegetables, Sugar, Coconut oil, Coconuts, and Red onions.

The increases in index values of non-food groups in September 2021 compared to the previous month was mainly due to the price increases in groups of items 'Alcoholic Beverages, Tobacco and Narcotics' (*Arecanuts*), 'Housing, Water, Electricity, Gas and Other fuels' (*LP gas*), 'Furnishing, Household equipment and Routine household maintenance', 'Health' (*Purchase of medical/Pharmacy products*), 'Education' and 'Restaurants and Hotels'. Further, very slight price increase was reported in group of 'Miscellaneous Goods and Services' as well. Meanwhile, the price indices of 'Clothing and Footwear', 'Transport', 'Communication' and 'Recreation and Culture' groups remained unchanged during the month.

Core inflation, which reflects the underlying inflation by excluding volatile items of food, energy and transport groups in the economy as measured by the Year-on-Year change based on NCPI for the month of September 2021 was increased to 4.8% from 4.7% reported in month of August 2021.

**Movements of the NCPI (Base 2013=100), NCPI(Core), Year on Year  
Headline Inflation and Year on Year Core Inflation**

**Movements of the NCPI (Base : 2013 = 100)**
